- The carriage of certain hazardous materials like aerosols, fireworks and inflammable liquids aboard the aircraft is forbidden. If you do not understand this restriction, further information may be obtained from your airline.

With immediate effect, personal motorised vehicles such as hoverboards, mini-Segways and smart or self-balancing wheels, are forbidden on our flights as they contain large lithium batteries. For safety reasons, we can't accept these as part of checked-in baggage or as hand luggage.

In light of advisories from various aviation regulatory bodies and concerns raised by Samsung about its Galaxy Note 7 smartphones, passengers are advised that these devices are prohibited on all Emirates flights. Passengers are requested not to bring them on board Emirates' flights in person, as well as in carry-on or checked-in baggage.

- In case of tickets originating from Spain (purchased through emirates.com/es, ticket offices or Emirates call centre or travel agencies), passengers who do not utilize one or more of their flights but would still like to take any of the remaining flights as originally booked without any change of the fare, must inform Emirates at least 24 hours prior to the departure of the flight(s) they missed/are not going to use, by calling exclusively the phone number +34 91 275 7792. Failing to do so, Emirates, subject to seat availability, may charge the difference of the original fare and the highest fare in the same class at the time of ticket reissuance.
- Spanish minors under 18 years old travelling outside of the Spanish territory without the company of any of his/her legal representatives (parents or legal guardian/s), must carry in addition to passport, a signed declaration of travel permit outside of the national territory. The form may be obtained from the Spanish Police, Civil Guard, Courts, Notaries, Town halls or Consulates.

In the case of foreign minors in Spain for their departure from national territory, they must carry the passport of their respective state or valid travel document.

Regarding foreign minors residing in Spain or residents of another EU state, please contact the authorities regarding the applicable documentation. For complete legislation and queries, travellers are asked to contact the authorities to ensure valid documentation is in place.
