Important Information about MileagePlus Earning

- Accruals vary based on the terms and conditions of the traveler's frequent flyer program, the traveler's frequent flyer status and the itinerary selected. United MileagePlus® mileage accrual is subject to the rules of the MileagePlus program
- Once travel has started, accruals will no longer display. You can view your MileagePlus account for posted accrual
- You can earn up to 75,000 award miles per ticket. The 75,000 award miles cap may be applied to your posted flight activity in an order different than shown
- Accrual is only displayed for MileagePlus members who choose to accrue to their MileagePlus account.
- Our Premier Program changes January 1, 2020. If your itinerary includes travel with a scheduled departure in 2020, you may see our old Premier accrual metrics if 1) you booked prior to May 1, 2019 and are viewing an emailed receipt or 2) you booked prior to August
